

Porters Grange Primary School & Nursery

Principal: Miss D Henley

Dear Parents and Carers,

We would be grateful if you could take a few minutes to complete a short survey about our Supervised Toothbrushing Programme.

Your feedback will help us understand oral health practices at home following the introduction of the programme at school. This information is important in helping us evaluate the programme and continue to support children's oral health.

Please complete the survey using the link provided below:

[STB Impact Questionnaire for Parents - Southend – Fill in form](#)

When completing the survey, please select "After the programme has started" to ensure your responses are recorded correctly.

Thank you for taking the time to complete the survey and for supporting your child's oral health.

Yours sincerely,

Mrs Hallifax

(Healthy Schools Leader)
