

Porters Grange Primary School & Nursery

Principal: Miss D Henley

Dear Parents/Carers,

We would like to inform you that we will start our toothbrushing sessions towards the end of January. This will be delivered and supported in small groups initially, therefore your child will not be brushing their teeth daily to begin with, this is something we intend to work towards over time.

Your child will receive a 'toothbrush pack' to bring home, this contains a toothbrush and toothpaste and an information leaflet with a brushing chart. This is to keep and use at home.

Please note the toothbrushing session in school does not replace daily brushing in the morning and at night.

If you have any questions or queries please do not hesitate to ask

Mrs Hallifax
