

Porters Grange Primary School & Nursery

Principal: Miss D Henley

11 September 2026

Dear Parents and Carers,

It has been a lovely, full start to the term, and we are delighted to welcome everyone back to school. As we settle into the new term, we would like to take this opportunity to remind you of a few important points to help us maintain a safe and welcoming environment for all pupils.

Firstly, please remember that we are a nut- and egg-free school. We have children who can react severely to airborne allergens, so it is essential that these foods are not brought onto the school site in any form. We are very grateful for your continued support in helping us keep all children safe.

In addition, there is to be no smoking or vaping on school premises, and we kindly ask that you also refrain from smoking or vaping at the school gates before and after school. Finally, the zigzag markings outside school have been repainted. For the safety of the children, please do not stop, park, or wait on these markings at any time.

Thank you for your understanding and cooperation. Your support with these arrangements is greatly appreciated and helps us to ensure that the school remains a safe and considerate place for everyone.

Kind regards,

Miss Henley
